

Heidi Ahlgren

Junior Developer

I'm currently studying software development at Haaga-Helia University of Applied Sciences, with a strong focus on enhancing my skills in both frontend and backend technologies. I'm passionate about creating user-friendly digital solutions and continuously improving my coding expertise through projects and learning.

Known for my hands-on attitude and strong teamwork skills, I collaborate effectively on projects to achieve shared goals. I'm dedicated to being part of a team that fosters a positive work environment and prioritizes the well-being of its members.

Employment History

Web Developer at HTH

MAY 2024 – JUNE 2024

The collaboration project has been for the cooperative HyvääTapaHarrastaa, with responsibilities including enhancing the website functionality and user experience. The objective was to create a more efficient and user-friendly platform for the audience.

- Redesigned the cooperative's website using HTML, CSS, and JavaScript, significantly improving usability and accessibility across devices.
- Enhanced Google Analytics tools to better track user interactions and website performance

Sales Associate at HOK-Elanto

APRIL 2016

Currently employed as a Sales Associate at HOK-Elanto, responsible for daily store operations and customer service.

- Leading shifts as a supervisor, managing the team and resolving issues.
- Managing financial tasks, including cash reconciliation and end-of-day reporting,
- Proficient in order management systems, ensuring product availability and maintaining accurate inventory records
- Experienced in retail operations, including cashiering, stocking, and maintaining product displays to maximize sales

Salesperson at Extraajat Oy

MARCH 2015 – AUGUST 2016

Served as a Salesperson at Extraajat Oy, focusing on providing excellent customer service and performing various sales duties, including cashiering and unloading deliveries.

Education

**Bachelor's degree in Business Information Technology at
Haaga-Helia University of Applied Sciences**

AUGUST 2023 – PRESENT

High school graduate at The English School

AUGUST 2012 – JUNE 2015

Hobbies

My particular interests include health, well-being and exercising. As a counterbalance to work, I really enjoy participating in group exercise classes, going to the gym, doing yoga, hanging out with friends, reading, and engaging in anything related to outdoor activities.
